For more information go to [www.P65Warnings.ca.gov](http://www.P65Warnings.ca.gov)

## IMPORTANT MESSAGE

---

On behalf of everyone at White Shanty, we would like to thank you for your purchase of one of our products. This product is designed and manufactured in the USA. This product comes with an Installation Manual. It is important that you read and fully understand this manual prior to installation. Following the steps exactly as specified in the manual will ease installation and reduce the amount of time necessary to complete the process. Keep this manual even after the installation process has been completed. Understand how to use tools that may be required during the installation process. Observe all safety warnings called out in this manual. Make sure those who may install this product for you understand this manual as well as you do.

### NOTICE !!!

---

Unauthorized modifications may present extreme safety hazards and could also result in injury or product damage. White Shanty strongly warns against, rejects and disclaims any modifications, add-on accessories or product alterations that are not designed, developed, tested and approved by White Shanty's Engineering Department. Any White Shanty product that is altered, modified or changed in any manner not specifically authorized after original manufacture – including the addition of "aftermarket" accessories or component parts not specifically approved by White Shanty – will result in the White Shanty warranty being voided. Any and all liability for personal injury and/or property damage caused by any unauthorized modifications, add-on accessories or products not approved by White Shanty Stairs will be considered the responsibility of the individual(s) or company designing and/or making such changes. White Shanty will vigorously pursue full indemnification and costs from any party responsible for such unauthorized post-manufacture modifications and/or accessories should personal injury and/or property damage result.

It may also be used to alert against unsafe practices or property damage.</p>
<div style="text-align: center; margin-bottom: 10px;">  <b>DANGER</b> </div> <p><b>DANGER</b> indicates an imminently hazardous situation which, if not avoided, <b>WILL</b> result in death or serious injury.</p>	<div style="text-align: center; margin-bottom: 10px;">  <b>CAUTION</b> </div> <p><b>CAUTION</b> used without the safety alert symbol indicates a potentially hazardous situation which, if not avoided, <b>MAY</b> result in property damage</p>

## Preparing For Installation

---

### Read the Installation Manual

- If anyone involved in the installation process cannot read English, it is the owner's responsibility to explain the contents of this manual to them.
- If any portion of this manual is unclear, contact the White Shanty Customer Service Department for clarification.
- It is the owner's responsibility to be familiar with the use of any tools that may be necessary to complete the installation of this product. Read the manual for these specific tools.
- Do not install or allow anyone to install this product if there are any questions about the installation process.
- Never attempt to install this product if any of the components are damaged or have any unauthorized modifications.
- All persons should be trained. The owner is responsible for training the users.
- Wear the appropriate personal protective equipment during installation.
- Wear hearing protection.
- Wear safety glasses.
- Wear a dust mask to avoid breathing dust.
- Never allow children, unskilled or improperly trained people to participate in the installation process.
- Keep the Installation Manual legible and intact.
- Do not attempt to install this product while under the influence of drugs or alcohol.
- The owner/user can prevent and is responsible for accidents or injuries occurring to themselves, other people or property.

### Site Preparation

- Check the area where the product is to be installed.
- Be sure the area is clear of pets and people, especially young children. Stop the installation process if any enter the area.
- Installation should be done in daylight or in good artificial light.
- Only use components approved by the manufacturer.

### Installation Preparation

- Do not tamper with any component.
- Keep all fasteners well secured.
- Verify that all components are in good condition and are not damaged in any way.
- Do not start the assembly process until you read the Installation Manual.

### Suspending the Installation Procession

- If it is necessary to suspend the installation process, it is the owner's responsibility to mark off the area to limit access until the installation is complete.

Tools Needed	Description
	<p>Cordless Drill/Driver</p>
	<p>Tape Measure</p>
	<p>Philips Screw Driver</p>

## Hook and Eye Privacy Latch Installation

NOTE: The Hook and Eye Privacy Latch is not a security lock and must be used with a door guide to ensure proper functionality.

1. Place one of the mounting plates at the desired height on either the inside of the sliding barn door or the door jamb (depending on your installation preference).
2. Affix the mounting plate to either the sliding barn door or the door jamb using the included screws (2).
3. Align the other mounting plate on either the sliding barn door or the door jamb using the included screws (2) ensuring both plates are level with each other.
